IV. State Country Assessment (5 mins)

- When USCIS is considering a recommendation for TPS for any given country, they normally request a country assessment from State.

- NOTE: DHS will not be asked to present for this section

V. Return to Territory (5 mins)

- Note that “Return to Territory” is now to be called “Remain in Mexico” (RIM).
- The United States continues to experience a high volume of aliens presenting themselves at ports of entry (POE) on the Southwest Border or entering illegally between the POEs and being released into the interior of the United States while they wait sometimes years for a final resolution on their case. To address this critical issue, the United States Government (USG) must develop a process by which the USG avoids having to either detain or release aliens into the U.S. interior and by which a reduction in illegal immigration can be expected.
- Under Section 235(b)(2)(C) of the Immigration and Nationality Act (INA), 8 U.S.C. § 1225(b)(2)(C), the Department of Homeland Security (DHS) is authorized to require an applicant for admission who arrives via land from Mexico or Canada, and who is subject to removal proceedings under section 240 of the INA, 8 U.S.C. § 1229a, to wait in contiguous territory from which he or she arrived (Mexico or Canada) pending a removal proceeding before an immigration judge (IJ).
- DHS and our interagency partners are actively working on operational and legal mechanisms for an imminent implementation of RIM.

a. Operational Update (DOJ)

- NOTE: DHS will not be asked to present for this section

Merit Based (5 mins)

I. Flores Reg Update and Timeline (DHS)

- DHS and HHS published a joint proposed rule on September 7, 2018. The rule proposes to amend regulations relating to the apprehension, processing, care, custody, and release of alien juveniles.
- As of Friday, November 16, DHS and HHS have received 96,886 public comments. Docket staff continues to process and upload additional comments.
- Nearly 100,000 in public comments is unprecedented for DHS. It is the highest number of public comments that DHS has received for any single rule since the Department's creation in 2003.

II. H-1B Lotter Reg Update (DHS, OMB)

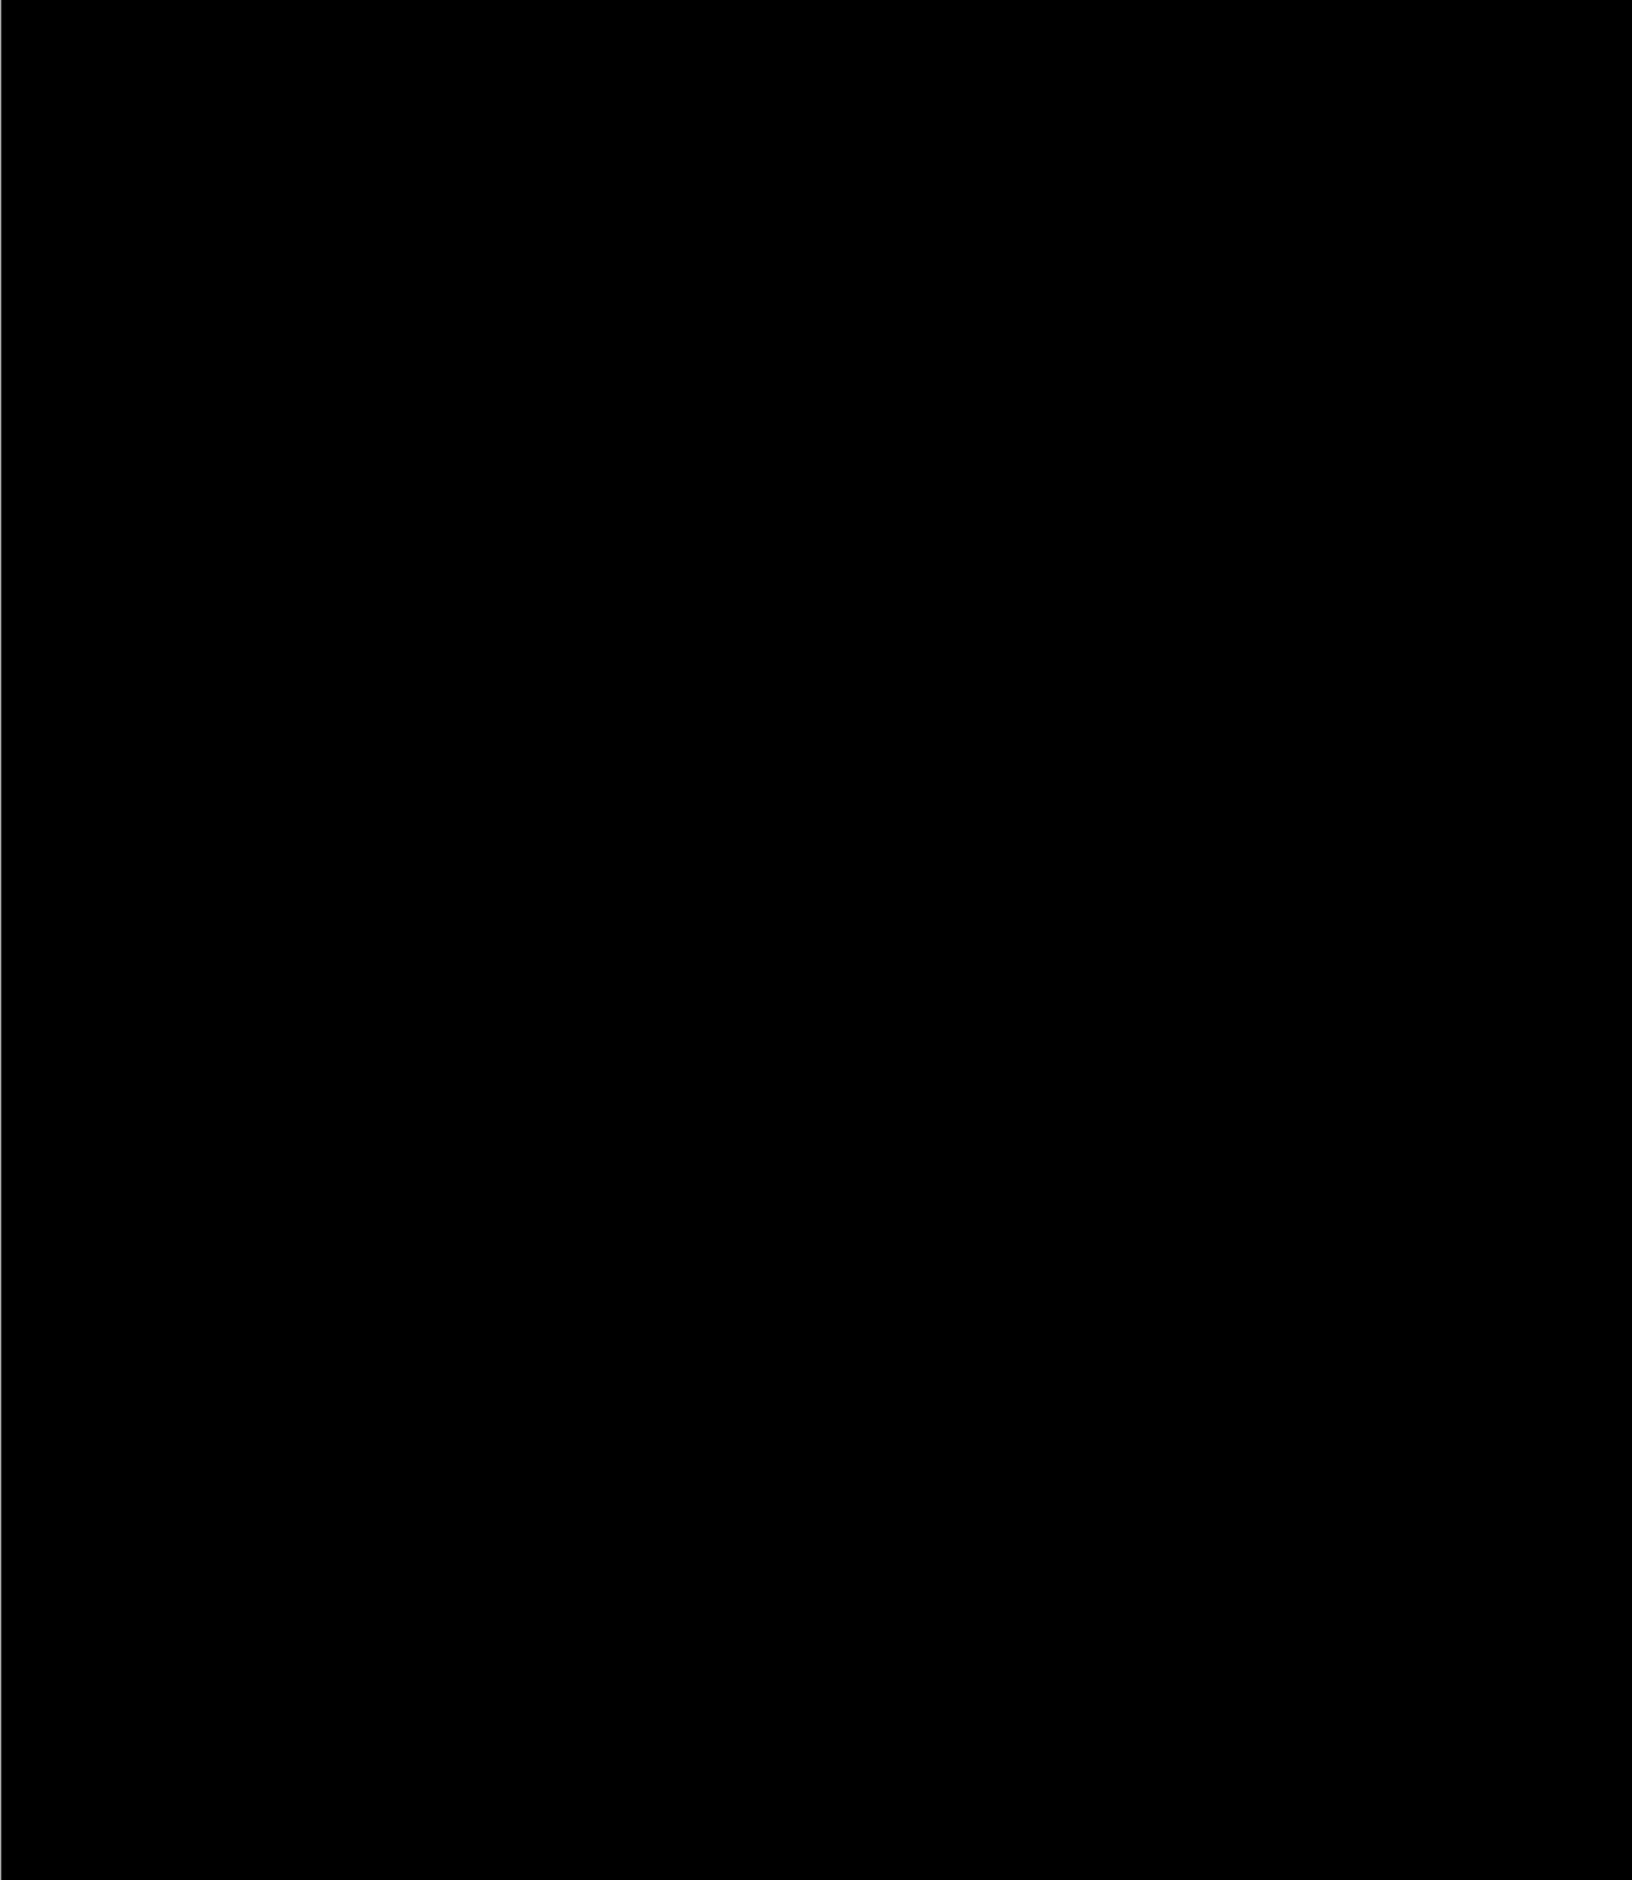

- USCIS has responded to the OMB passback and additional questions related to data, and is hoping to have OMB immediately conclude review of the NPRM.
- Once OMB clears, S1 will need to sign, and the Federal Register will have to expedite publishing of the rule in order to hit our target timelines.

IMMIGRATION DEPUTIES CALL – CONCERTINA WIRE ISSUE
Talking Points & Background

Two Main Talking Points

- (b) (5), (b) (7)(E)
-

Secretary's Waiver Authority

- The Secretary of Homeland Security may construct barriers and roads in the vicinity of the border to deter illegal crossings in areas of high illegal entry and may waive any legal requirements to ensure the expeditious construction of such barriers and roads constructed under this authority.
 - Section 102(a) of the Illegal Immigration Reform and Immigrant Responsibility Act (IIRIRA) authorizes the Secretary to construct barriers and roads in the vicinity of the border to deter illegal crossings in areas of high illegal entry.
 - Section 102(c) authorizes the Secretary to waive legal requirements to ensure the expeditious construction of such barriers and roads “under this section.”
- The § 102(c) waiver authority may be used only for border barrier construction projects conducted under DHS’s IIRIRA § 102 authority.
 - Section 102(c) limits the waiver authority only to “construction of the barriers and roads under this section.”
 - Moreover, § 102(a) provides that “[t]he Secretary of Homeland Security shall take such actions as may be necessary to install additional physical barriers and roads...” and § 102(b)(1)(A) provides that “the Secretary of Homeland Security shall construct. . . .”
